

# Welcome to great fishing and fantastic outdoor experiences in Alvdal!

## Regulations for fishing in Alvdal kommune, Hedmark Fylke.

Fishing rules/regulations for fishing in Alvdal kommune. On May 1st, 1993, The Regional Commissioner for Hedmark approved and established the following regulations for fishing in Alvdal.

### §1 Fishing Period

All trout fishing is forbidden from the 15th of September until the 31st October inclusive.

### §2 Equipment Use

It is forbidden to avail of nets while fishing for trout in rivers and streams. All fishing with nets in lakes is forbidden within 50 meters of the lake entrance or river mouth.

### §3 Preservation Zone

At Høyegga Dam, all fishing is forbidden within the marked zone, restricted by a straight line across the river, 180 m upstreams of fish-stairs and a straight line across the river 80 m downstream - the exit of the fish-staire. At the Barkald waterfall, all fishing is forbidden within the marked zone, restricted by a straight line across the river, 60 m upstream of the waterfall and a straight line across the river 80 m downstream.

### §4 Validity

These regulations come into effect immediately. Simultaneously the following regulations are suspended: Regulations for Fishing in Alvdal kommune dated May 5th, 1972. Regulations for Fishing in Savalen, Alvdal and Tynset Kommune dated November 16th, 1979 with changes dated March 4th 1981. Regulations for Fish-stairs at Barkald waterfall dated April 5th 1979.

Map areas	24 hour	Week	Year	Full licence
All areas	70,-	300,-	450,-	600,-

Prices apply per area. Full Licence applies for areas 1, 3, 5, 7 and 9.

Half prices for youth under 18 year. Children under 16 years fish for free!

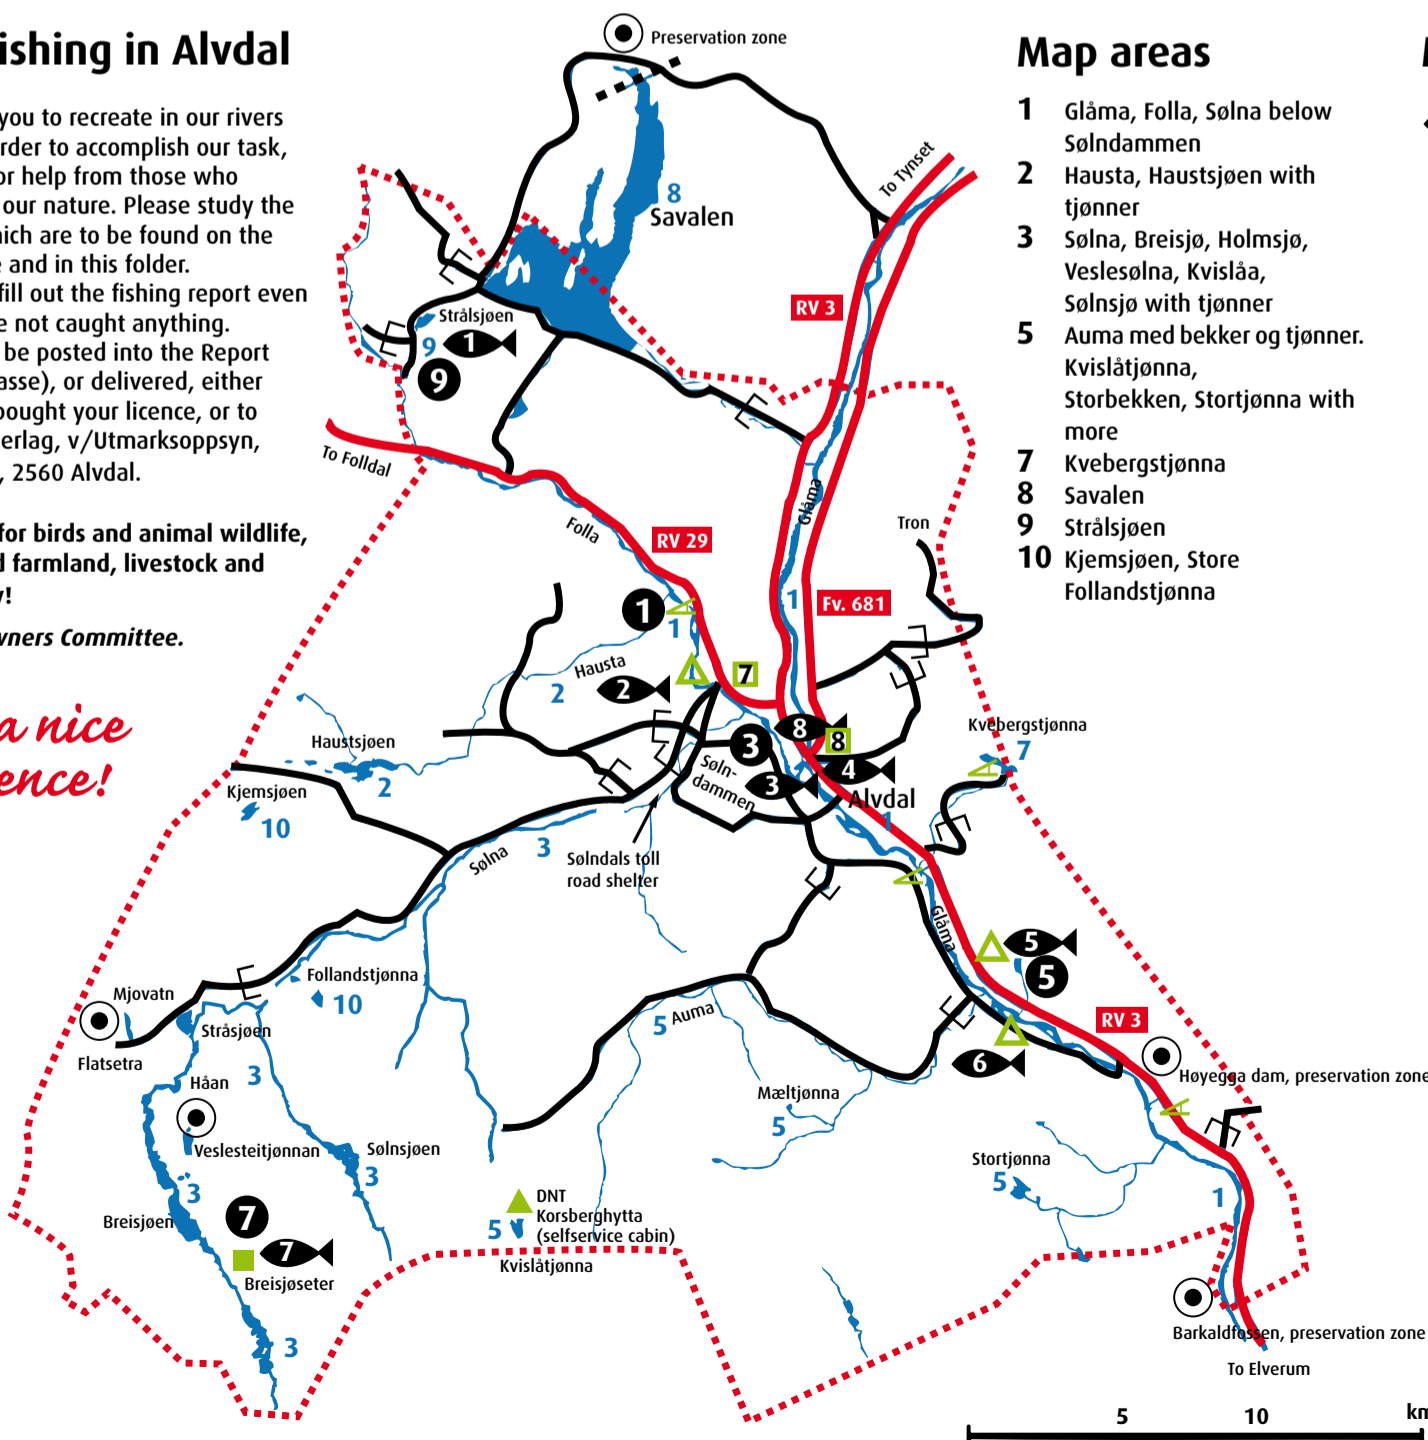

## Sports Fishing in Alvdal

We welcome you to recreate in our rivers and lakes. In order to accomplish our task, we must ask for help from those who travel through our nature. Please study the regulations which are to be found on the Fishing Licence and in this folder. Remember to fill out the fishing report even when you have not caught anything. The report can be posted into the Report box (Rapportkasse), or delivered, either to where you bought your licence, or to Alvdal Grunneierlag, v/Utmarksoppsyn, Geir Skillebæk, 2560 Alvdal.

Show respect for birds and animal wildlife, as to cultivated farmland, livestock and other property!

Alvdal Landowners Committee.

*Have a nice experience!*
